All Breed Lure Coursing

12:00 Noon Rain or Shine
(In the infield area)

LURE COURSING is a sport which attempts to imitate the coursing of a rabbit or hare by dogs, usually sight hounds (AKC & ASFA lure field trials) and Jack Russell Terriers (JRTCA terrier trials) but also other breeds as well. **Any dog that likes to chase after balls or squirrels is a good lure coursing candidate.** An artificial lure, typically a white plastic bag, is what the dogs chase around the lure course. The acre+ course (unfenced) is composed of a monofilament line passed around a series of pulleys staked to the ground in a circular or figure 8 pattern and powered by a lure machine.

Pre-Entry Fee of \$10.00 includes two course runs; best one counts and may qualify for ribbon.

- Entries should be postmarked no later than **October 3rd** to be considered pre-entry and payment must accompany entry.
- Post entries will be accepted on race day for a post entry fee of **\$15.00**.
- All dogs are run individually, muzzles **not** required.
- Race proceeds to benefit the Jack Russell Rescue of Western NY.
- Parking and entrance to the Race Meet is at the expense of the participant.
- Volunteers to help as spotters and catchers will be greatly appreciated.
